## VICINITY ITEMS.

### Cleaned from Towns in Our Territory of Interest to All Readers.

#### Rebekah District Meeting.

The eleventh district meeting of the fifth district of Rebekahs will be held with Sunbeam Lodge, No. 17, of Barton, Friday evening, November 2nd.

#### What Does It Mean?

On Wednesday of this week this office received through T. J. Telfer of West Glover a box of flowers and buds that are as a rule found only in the spring. There was a bunch of blossomed buttercups, blossomed strawberry vines, dandelions and other flowers and some well-developed buds belonging to lilac bushes, alders and other trees and bushes. The sender also states that he has seen this fall Mayflowers in full bloom. To our knowledge buds so fully developed (apparently a few warm days would advance them enough to begin to spread,) and flowers of this nature are indeed rare this time of the year and possibly weather prophets can tell from them what kind of winter we shall have.

#### Fire in West Burke.

Fire was discovered in the barn of Marcellus Colby Friday evening about half-past seven o'clock. A large crowd gathered very quickly, and worked well, the little engine doing its full duty; but there was a strong wind, and the flames spread rapidly. The buildings of Mr. Colby were all burned, and those of Henry Bugbee also. Nearly all the furniture was saved from the Bugbee house, but that belonging to the Mathews family, who occupied a part of Colby's house together with Colby's was nearly destroyed. A cow and three hogs and a lot of hens were also burned. The buildings of Clarence Carriek were in great danger, and much anxiety was felt by all those who lived in the neighborhood of the fire, as the houses are quite near together, and the supply of water was very low.

A very nice social affair was held in K. P. hall Oct. 19 by the Rathbone Sisters, it being a "benefit supper" given to Brother George Cole and wife. Mr. Cole's health the past summer has been very poor, but at present is improving. The supper furnished by the ladies of the order was one of their best efforts and showed to the partakers of the same that as cooks they cannot be beaten. Readings and vocal and instrumental selections were given. The presentation speech, short but appropriate, by Brother H. W. Buchanan was responded to by Brother Cole in a touching manner. These social affairs help to bind together members of the order and make each one a better citizen. There were present about seventy knights and ladies.

Mrs. F. H. Churchill, whose sickness has been mentioned a number of times, passed away Friday morning. Mrs. Churchill has not been well for six years, and of late has grown worse. Last July she took her bed and has been gradually failing since. Thus ends the earthly career of one beloved and respected by the community. Though only forty years old the 20th day of last July, the summons came thus early, releasing from her weakened body a spirit disciplined and refined by years of patient suffering. Mrs. Churchill was the daughter of J. H. Clark of East St. Johnsbury. She came to this town when a child, and has spent most of her life here and at Barton. Eight years ago she married F. H. Churchill. Six years ago her little daughter Ruth was born, since which time she has never been well. She has borne her sufferings with fortitude, has been a kind mother, affectionate wife, and a good neighbor. She leaves to mourn her loss her husband, daughter and father above mentioned besides many more distant relatives and friends. On Saturday afternoon, the last tribute to all that was mortal was paid and her body returned to the earth in the village cemetery. The obsequies were held from her late home and were conducted by the Rev. G. L. Shaeffer.
